

RECYCLING

Prepared by: Commonwealth Regional Council

GOALS FOR RECYCLING

Collect Recyclable
Materials from Residents

Transport Recycled
Materials to Recycling
Facilities and Receive
Compensation or at Least
Not Incur Extreme Cost in
the Process

**Remove Recycled
Materials from Waste
Stream** Reducing Cost for
Waste Management As
Well as Assisting in
Meeting County Recycling
Goals (15%)

RECYCLING CHALLENGES

- ✖ Cost to County to Provide Recycling Opportunities for Citizens
- ✖ Getting Citizens to Recycle
- ✖ Finding Available Recycling Facilities
- ✖ No Facilities Available For Some Recyclable Materials

COLLECTION OF INFORMATION

Items County Currently Recycles

Location & Name of Recycling Facility
For Each Material

Rates Charged or Compensated

Items County Would Like to Recycle but
Cannot Find a Market

RECYCLING
